December 2006

## A Note from President Riphahn:

Fellow Sertomans, Merry Christmas!

I would like to thank all of you who helped pull together the duck float for the Miracle on Kansas Avenue Christmas Parade. I know it was an eleventh hour effort.

A quick reminder we have a "Celebration of the Holidays" party December 12 from 6 to 8 p.m. at the home Dan & Julie Hejtmanek, 2800 S.W. Burlingame Rd. So the next Evening Club meeting will be December 19 at the Jayhawk Tower. IT will be the only meeting in December.

One last thing, I received a letter from the Salvation Army, they are looking for bell ringers for their 2006 Christmas Campaign. They have openings from now until December 23<sup>rd</sup>. For times, kettle locations and dates call Darryl Winston, Program Director, 233-9648 (work) or 213-3736 (cell).

Yours in SERVICE TO MAnkind,  
Bill Riphahn

## Welcome to the Club!!!:

Let's give Michele & James a hearty – WELCOME TO THE CLUB - as they are the two newest members of the Topeka Evening Sertoma Club! We look forward to getting to know you both and working along side you as we serve mankind together!

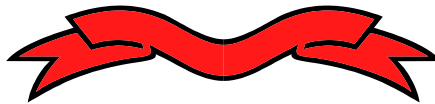

## **SHARP Program:**

Each year the Topeka Evening Sertoma Club gives away a number of hearing aids to senior citizens in need in the community. The partnership that had been established with the Great Plains Hearing & Speech Associates is being severed as the group is shutting down. The Evening Club is looking for another Audiologist and/or group to work in partnership with. If you know of an Audiologist who you believe would work with us, please contact Dan Hejtmanek at 235-5678 or [dan.hejtmanek@ksjustice.com](mailto:dan.hejtmanek@ksjustice.com).

## **In the Market for a New Car?:**

Hey, are you in the market for a new car? If so, be sure to stop at Laird Noller Ford first! The group has donated cars to the Sertoma Great Topeka Duck Race for the past two years and has asked nothing from us in return! Let's show them how much we appreciate their support by giving them first chance at putting you in the driver's seat of a new set of wheels.
