March 2006

A Note from President Cuthbertson:

Dear Topeka Evening Sertoma Club,

It appears we have jumped past spring with temperatures in the 70s. Ahhh, Kansas weather! Make plans now to plan to attend the First Annual Heart of America Regional Convention. April 20-22, 2006 in Lafayette, Louisiana. **NOTE: Early-bird registration is BEFORE April 7th. AFTER April 7th, registration fees increase, so..... be sure to get yours turned in early!**

The nominating committee of Bill Riphahn, Terry Beck, Norman Stahl, Celia Cuthbertson and myself have prepared a slate of officers to lead our club in 2006-2007 and will present the list of names for approval on March 7th.

Our Tri-Club Awards Banquet will be on March 15th at the Jayhawk starting at 6 PM. The Sertoma Clubs of Topeka will honor fellow Sertomans and non-Sertomans for their hard work on behalf of our community. Please plan to attend this exciting and informative banquet. It's rare that all three Topeka Sertoma Clubs get together outside of duck race activities. I hope the Evening Club can make an impressive showing!

The Duck Race Planning Committee will meet on March 9th to discuss the upcoming 11th annual Sertoma Great Topeka Duck Race! We need several volunteers to work with the local schools in helping to sell duck adoptions and assist the schools in raising funds for their activities. The Texas Roadhouse has offered to host our online rally winner's party on September 11th! This is a great way to encourage people to sign-up for an on-line team! Start your planning today!

Please welcome our newest members Lois Cox, Debbie Escobar and Kevin Oneslager. It is a pleasure to have all of you in the club! We look forward to getting to know all of you!

Would you like to help our St. Patty's Day float? Please contact me or Jenalea!

Yours in SERVICE TO MANKIND,
Terry Cuthbertson

A little funny: New Orleans' Churches:

One of the local television stations in South Louisiana actually aired an interview with a woman from New Orleans. The interviewer was a woman from a Boston affiliate, so she asked the interviewee how such total and complete devastation of the churches in the area had affected their lives.

The woman replied, "I don't know about all those other people, but we haven't gone to Church's in years. We get our chicken from Popeye's."

The look on the interviewer's face was priceless.
